**Re: Duke Energy Carolinas, LLC Upgrade of Transmission Lines from
Shiloh Switching Station to Pisgah Tie
Docket No. 2010-253-E**

Dear Jocelyn:

Enclosed for filing is additional information in support of the letter filed by Duke Energy Carolinas, LLC on July 26, 2010, in the referenced docket. The additional information filed with this letter is a map of the South Carolina portion of the transmission line. As shown on the map, the project does not require any additional right-of-way and the transmission line will remain on the center line of the existing easement. The project has been reviewed and approved by the South Carolina Department of Health and Environmental Control and Greenville County and it will have no adverse environmental impact.

By electronic copy of this letter, we are providing this information to the Office of Regulatory Staff. Should you need any additional information, please contact us.

Yours truly,

ROBINSON, MCFADDEN & MOORE, P.C.
